

Independent Study/Directed Study/Research Contract

This form is a contract between the student and their faculty advisor. Students should work with their instructor to develop an outline of goals for the semester. This form should be signed by the student and faculty member, and the student should submit a copy of the signed document to their departmental representative (see names page 2).

Remember that all independent studies are listed as variable credit. Students must choose the number of credits approved by instructor in SIS when they register.
