Bio Sketch

NAME	TITLE:
Peter W. Tuerk, Ph.D. pwt3g@virginia.edu (434-924-0744)	Professor, Department of Human Development; Director, Sheila C. Johnson Center for Clinical Services Universtiy of Virginia

EDUCATION/TRAINING	DEGREE	YEAR	FIELD OF STUDY
James Madison University, Harrisonburg, VA	B.A.	1995	Social Science
University of Virginia, Charlottesville, VA	M.A.	2004	Clinical Psychology
University of Virginia, Charlottesville, VA	Ph.D.	2007	Clinical Psychology
Medical University of SC, Charleston, SC	Internship	2007	Posttraumatic Stress

Positions

2018-Present Professor of Education, Department of Human Services, Universtiy of Virginia
2018-Present Director, UVA Sheila C. Johnson Center for Clinical Services
2012-2018 Associate Professor of Psychiatry and Behavioral Sciences, Medical University of South Carolina (MUSC), Charleston, SC
2014-2018 Section Chief & Director, PTSD Clinical & Telehealth Teams, Charleston VAMC, Charleston, SC
2007-2016 Director of Research Training, Veterans Affairs/MUSC Psychology Internship Program
2007-2014 Associate Director, PTSD Clinical Team, Ralph H. Johnson VAMC
2007-2012 Assistant Professor of Psychiatry and Behavioral Sciences, MUSC
2006-2007 Clinical Psychology Intern: Medical University of SC/Ralph H. Johnson VAMC
2005-2006 Refugee Therapist: International Family Medicine Clinic, University of Virginia (UVA) Hospital
2002-2005 Lab Instructor: PSYC 740 Clinical Intervention; PSYC 771 Graduate Quantitative, PSYC 306/305 Research Methods and Data Analysis I & II, UVA, Charlottesville, VA
1999-2000 Residential Treatment Supervisor, Third Way Center, Denver, CO
1996-1998 Residential Treatment Supervisor, New Dominion School, Dilwyn, VA.

Fellowships

2004-2006 Institute of Education Sciences Fellowship; Curry School of Education, University of Virginia
2004-2005 Clinic Administration Assistantship, Mary Ainsworth Psychological Clinic, UVA
2001-2005 Clinical Psychology Fellowship; Department of Psychology, University of Virginia
2003-2006 Buffett Fellowships for applied work in the area of Children and Families

Professional Experience

International

Mental Health Consultation, Training, and Implementation: Evidenced-based treatment for PTSD
Australia Centre for Posttraumatic Mental Health, University of Melbourne, Australia
Government of Australia Department of Defense, Canberra, Australia
Government of Australia Department of Veterans Affairs, Melbourne, Australia
Japan National Institute of Health, Adult Division, Tokyo, Japan
Tokiwa International Victimology Institute, Ibaraki, Japan

Chair: Japan/US Evidence-Based Mental Health Response Initiative (JEMRI), 501(c)3
International Telehealth Clinical Supervision (ITACS): Post-Disaster Response, Mito, Japan
Invited Lecturer: United Nations University, Waseda University, Sophia University, Tokiwa University.

National

Taskforce Chair: National Strategy Taskforce for Evidence-based PTSD Practices via Telehealth, Funded Recommendations: **$14,000,000.**
System-wide Telehealth Consultant: Cohen Veterans Network (CVN)
Clinical Technology SME: VA Central Office, Center of Innovation (VACI)
Mentor: National Center for PTSD Mentorship Program for Administrators of PTSD Clinics
Innovation Advisory Group (IAG): VA Center for Innovation (VACI).
Conference Chair: Prolonged Exposure Research: Innovations and the Protocol as a Vehicle for Science
Curriculum Consultant: VA Office of Mental Health Services (OMHS)
Selection Committee: International Society for Traumatic Stress Studies (ISTSS) Convention
Clinical Policy SME: VHA, Under Secretary for Health for Operations and Management
Data Safety Monitoring Boards: University of Michigan, UPenn, Veterans Health Administration.

National (cont.)

Advisory Board: Emory University Prolonged Exposure Therapy Consultant Training Program 2021
American Psychological Association: Video Series for Psychotherapy Training Host 2022
Anxiety and Depression Association of America (ADAA): Educational Spokesperson 2023
DSMB: Testing Adaptive Interventions to Improve PTSD Treatment Outcomes in Federally Qualified Health Centers (TRANSFORM) 2025

Clinical Consultation & Training: *Evidence based treatment, implementation, and dissemination*

U.S. Department of Defense DoD
U.S. Veterans Health Administration (VHA)
U.S. Center for Deployment Psychology
Missouri Coalition for Community Health
University of Puerto Rico, San Juan, PR
Kaiser Permanente Stress,
Co-Occurring Collaborative Serving Maine
Harvard Medical School
Wayne State University School of Medicine.
Loyola University, Chicago, IL
Rush University, Chicago, IL
Ozark Center for Behavioral Health. MO
Harvard Medical School, MA
University of Pennsylvania, Philadelphia, PA
Trauma & Anxiety Research Clinic
University of Central Florida
Sheppard Pratt
Center for Deployment Psychology (CDP)

Clinical Technology Development and Implementation: *Telehealth, virtual reality, artificial intelligence, mobile health, applied psychophysiology and wearables*

DoD National Center for Telehealth and Technology
Lifetime Network: "Army Wives"
Virtually Better Inc.
Aclaris Medical
Anxiety Disorders Association of America (ADAA)
Prolonged Exposure for PTSD Web 2.0
VA Center of Innovation (VACI)
Cohen Veterans Network (CVN)
MindApps,
VirtuallyBetter Health LLC
Zeriscope Inc.

Regional & Local

Clinical Coordination: VISN 7 Southeast Network Telehealth Coordination Team
Advisory Board: BraveHeart: Welcome Back Veterans South East Initiative
Voting Member: Research and Development (R&D) Committee, VAMC, Charleston, SC
Voting Member: Psychology Education Committee, Dept. of Psychiatry, MUSC
Voting Member: Appointment and Tenure Committee, Dept. of Psychiatry, MUSC
Policy Consulting and Program Evaluation: Legal Aid Justice Center, Charlottesville; VA; Fairfax County Public Schools, Fairfax, VA; The Campaign for Excellence in Education; Fiscal Analytics, Richmond, VA; Virginia First Cities Coalition, Petersburg, VA; Free 2 Talk, Fairfax, VA.

Awards & Recognitions

National & International

- Australian Government National Health and Medical Research Council (NHMRC), "*10 of the Best Research Projects, 2024"* selected from 900 NHMRC-funded grants 2025
- International Society for Traumatic Stress Studies (ISTSS) Sarah Haley Memorial Award for Clinical Excellence: *Bluhub Clinical Team (Tuerk: Trainer & Consultant)* 2022
- Military Family Research Institute's Excellence in Research Award, finalist 2020
- Technology, Education & Design (TED)x Talk, *Return from Chaos -Treating PTSD* Selected Talk https://www.youtube.com/watch?v=ORs3-tRokGU 2015
- Named Top 100 in US Purpose Economy Book (purposeeconomy.com): 2014
- Tokyo Metropolitan Public Safety Commission Victim Relief Commendation 2012
- VA Research & Development Award in Recognition of Outstanding Service 2011
- VA Office of Patient Care Services (OPCS) Commendation 2011
- **Olin E. Teague Award for Outstanding Career Achievement in the Rehabilitation of War-Injured Veterans** 2010
- ACE Award, Veterans Health Administration Workforce Management & Consulting Office 2010
- VA Southeast Network Commitment to Excellence Award 2009
- VA System-wide Ongoing Assessment & Review Strategy (SOARS) Strong Practice 2008

Local & Research

- Highlighted Research: *National Center for PTSD* Clinician's Trauma Update 2016
- Highlighted Research: *National Center for PTSD* Research Quarterly 2015
- Editor's Choice for Authored Research, Journal of Anxiety Disorders 2012
- Highlighted Research: *National Center for PTSD* Clinician's Trauma Update 2012a
- Highlighted Research: *National Center for PTSD* Clinician's Trauma Update 2012b
- VAMC Director's Recognition for Contributions to Programming 2012
- VAMC Performance award for exceptional duty-related achievement 2011
- VAMC Performance award for exceptional duty-related achievement 2010a
- VAMC Performance award for exceptional duty-related achievement 2010b
- Highlighted Research: *National Center for PTSD* Clinician's Trauma Update 2010
- VAMC Performance award for exceptional duty-related achievement 2009
- Outstanding Dedication to Training Award, VA/MUSC Psychology Internship 2009
- VA/MUSC Psychology Internship, Scientist-Practitioner Award 2007
- VA/MUSC Psychology Internship, Laura Griffin Humanitarian Award 2007
- UVA School of Medicine, Honorary Family Medicine Alumni 2007
- Council of University Directors of Clinical Psychology (CUDCP) Graduate Liaison 2004-2006
- APA award in recognition of excellence for research presentation 2002
- University of Virginia, Department of Psychology Dean's Award 2002
- Commonwealth of Virginia Volunteer Service Award for Outstanding Service 1992

Clinical & Continuing Education Seminars/Webinars

1. **Tuerk, P. W.** *Clinical applications of technology to increase homework adherence, therapeutic alliance, and clinical outcomes in ERP for OCD: A new paradigm (1 CE Credit).* OCD Mid-Atlantic 1st Annual Conference, Friday, October 17, 2025. Towson, MD.

2. **Tuerk, P. W.** *Increasing homework compliance in evidence-based treatment for PTSD: Clinical Application of Theory, Technique, and Technology (1 CE Credit).* Anxiety Disorders Association of America (ADAA) National Professional Webinar, June 27, 2024. Increasing homework compliance in PTSD evidence-based treatment | Mental Health Professional Webinar

3. **Tuerk, P. W.,** (February, 18 2025) Mental health tools and practices in digital and telehealth contexts. [CE Webinar Presentation]. Department of Psychiatry, Kaiser Permanente, Napa-Solano Service Area, Fairfield, CA.

4. **Tuerk, P.W.,** (2023, January 21). Leading Edge Implementation Strategies for Exposure Therapies [CE Webinar Presentation]. Department of Psychiatry, Kaiser Permanente, Napa-Solano Service Area, Fairfield, CA.

5. **Tuerk, P.W.** *Crowdsourcing expertise with OC-GO.* Continuing education (CE) Webinar presented at the Center for Deployment Psychology (CDP) Evidence-based Psychotherapy Conference: Innovations to Training and Practice, April 22, 2021, Bethesda, MD.

6. **Tuerk, P. W.,** Rauch S.A.M. Prolonged Exposure Therapy PTSD Workshop (CE). *Harvard Medical School.* September 11-12, 2020.

7. ***Tuerk, P. W.,*** *Prolonged Exposure Therapy PTSD Workshop* (CE). *Sheila Johnson Center for Clinical Services, University of Virginia.. September 11-12, 2020.*

8. **Tuerk, P. W.** Synchronous Telehealth: Clinical Videoconferencing and PE Treatment, Clinical Webinar. *Phoenix Australia, Centre for Posttraumatic Mental Health.* May 4, 2020.

9. **Tuerk, P. W.** Synchronous Telehealth: Clinical Videoconferencing and PE Treatment, Clinical Webinar. University of Central Florida/ US DoD:. April 22, 2020.

10. **Tuerk, P. W.,** Telehealth Treatment, Differential Diagnosis, and Clinical Tools: A Provider-focused Webinar. Continuing Education Webinar, *Cohen Veteran's Network*. December 12, 2018.

11. **Tuerk, P. W.** Treatment of Military PTSD: Evidence-Based Exposure Therapy, Clinical Tools, and Emerging Methods. Continuing Education Webinar, *GoodTherapy.org*, March 2017. https://www.goodtherapy.org/treatment-military-ptsd-exposure-therapy-web-conference.html

12. Lysell, K., **Tuerk, P. W.,** Pitman, J., Klaus, J., Arnott, M. Implementing A Measurement Based Approach to MH Care, broadcast from the EES MyVeHU studio, on June 15, 2016, Orlando, FL.

13. **Tuerk, P. W.** & Lozano B. Home-based and Therapist Assisted Exposure Therapy. Advanced Call Series, National Center for PTSD, Education Division, August 2014.

14. **Tuerk, P. W.** Taking Care of Our Veterans Through the use of Telemedicine: Presented at 2nd Annual Telehealth Summit of South Carolina, October 10, 2013, Columbia, SC.

15. **Tuerk, P. W.** Home-based and Therapist Assisted Exposure Therapy. Advanced Call Series, National Center for PTSD, Education Division, July 8, 2013.

16. **Tuerk, P. W.** Health Service Utilization Before and After Evidence-Based Treatment for PTSD. Advanced Call Series, National Center for PTSD, Education Division, April 8, 2013.

17. **Tuerk, P. W.** & Thorp, S**.** Implementing Prolonged Exposure via Telehealth. Advanced Call Series, National Center for PTSD, Education Division, June 28, 2012.

18. **Tuerk, P. W.** Pilot Study of Prolonged Exposure Therapy for PTSD delivered via Telehealth Technology. VA HSR&D National Telemental Health Journal Club Series. October 28, 2009.

Software

VirtuallyBetter Health (2023). *OC-Go* (Version 1.2) [Computer software]. VirtuallyBetter Health. https://www.vbhealth.net/

Research Support

As Principal Investigator

1R42MH142197-01; Fast-track Phase I & II, 07/01/2025-06/30/2029 (JIT, PENDING NOA)
Title: *Improving adherence and outcomes in evidence-based treatment for OCD: Type I Effectiveness-Implementation RCT and Scaled Development of OC-Go, a crowdsourced interactive patient-provider tool*
Funder: National Institute for Mental Health (NIMH)
Goal: To complete *development and test a novel digital paradigm for improving adherence and clinical* outcomes in ERP for childhood OCD via a randomized controlled clinical trial (N = 160 patients, 60 therapists, 7 community clinics), and to investigate the facilitators and barriers to technology adoption in the network.
Role: Principal Investigator; Phases I & II, $2,699,728.00

1R42 MH111277-01A1; Fast-track Phase I & II, 05/01/2017-04/30/2020 (NCE)
Title: *OC-Go: Facilitating fidelity and dissemination of evidence-based treatment for childhood OCD via an interactive crowd-sourced patient-provider tool.*
Funder: National Institute for Mental Health (NIMH)
Goal: To innovate EBT delivery and dissemination, and to augment patient-side treatment adherence and efficacy via an asynchronous telehealth platform. Platform allows providers to create and share (crowd source) multimedia, behaviorally-interactive mobile activities to aid patients in completing out-of-office EBT homework.
Role: Principal Investigator; PHASE I $224,679.00; PHASE II $1,456,775.00

5R42MH094019-05; 9/16/11 - 8/31/17
Title: *Pegasys VR: Integrating Virtual Humans in the Treatment of Child Social Anxiety*
Funder: National Institute for Mental Health (NIMH)
Goal: To provide an interactive virtual environment in a game style setting to facilitate practice of social skills interactions. Skills learning will be supported by task-oriented social conversations using an artificial intelligence (AI) engine and 16 interactive avatars that interact within a free-roam virtual environment.
Role: Principal Investigator; $2,056,984.00

13046027/W81XWH-15-1-0087; 12/01/2015 - 11/30/2018
Title: *Evaluating the Feasibility of Rescue: An Adjunctive HAI-Based Intervention for Veterans with PTSD*
Funder: Department of Defense (DoD), Applied Research and Advanced Technology Development Psychological Health Award
Goals: To investigate if treatment retention and outcomes in evidence-based PTSD care can be enhanced with Human-Animal Interaction (HAI) treatment augmentation in comparison to a rigorous control.
Role: Principal Investigator; $709,517.00

R42DK103537; 11541029**;** 9/15/14 – 12/31/17
Title: *Experience Success: Virtual Reality Skills Training to Enhance e-Weight Loss*
Funder: National Institute for Mental Health (NIMH)
Goal: To improve internet-delivered obesity treatments by developing a virtual reality (VR) system for use with existing online programs. Users are confronted with common social and behavioral barriers to weight loss and select decisions to see how their avatar's week unfolds.
Role: Principal Investigator; $1,264,285.00

CDA-2-013-09F; NCT01031979; 08/2010 - 07/2015
Title: *Prolonged Exposure for PTSD with and without Yohimbine and the Correlates of Trait Habituation*
Funder: VA Office of Research Development (ORD), Clinical Sciences R&D (CSR&D) 08/2010 - 07/2015
Goals: Employ an RCT to investigate the extinction learning augmentation properties of an alpha-2 adrenergic antagonist, and to develop technology-driven interactive objective measures of PTSD treatment response.
Role: Principal Investigator; Direct Costs: $325,000.00

6/01/2011 - 7/30/2012
Title: *Japan-US Evidence-Based Mental Health Response Initiative (JEMRI)*
Funder: Fish Family Foundation
Goals: To build partnerships and rapidly deploy mental health training in evidence-based treatment for PTSD in post-tsunami Japan.
Role: Principal Investigator, $50,000.00

07/2009 - 06/2013
Title: *Prolonged Exposure with and without Yohimbine and the Correlates of Trait Habituation*
Funder: South Carolina Translational Research (SCTR) Multidisciplinary Scholar Award.
Role: Principal Investigator, $255,000 (Switched funding to Alternative CDA)

09/2004 - 08/2006
Title: *Statewide Achievement Gap in Florida Schools: Hierarchical Linear Models of Standardized Scores*
Funder: U.S. Dept. of Education, Institute of Education Sciences; Clinical & School Psychology Program, Curry School of Education, University of Virginia.
Role: Fellowship Awardee; $120,000 combined for two years.

<u>As Site-Principal Investigator</u>

W81XWH-15-1-0555; Sub Award: 567650/10050415/16638; 7/2015 - 7/2019
Title: *The Efficacy of 90- vs. 60-Minute Sessions of Prolonged Exposure for PTSD: A Randomized Control Trial in Active Duty Military Personnel* (PI: Foa)
Funder: Congressionally Directed Medical Research Program
Goal: Compare the efficacy of 90- vs. 60-Minute Sessions of Prolonged Exposure for PTSD via RCT.
Role: Site-Principal Investigator

QUERI; 9/2016 - 9/2019
Title: *Virtual Specialty Care Program. Implementing Technology Facilitated Clinical Interventions to Improve Access to High Quality Specialty Care for Rural Veterans* (PI: Fortney)
Funder: Quality Enhancement Research Initiative (QUERI), Department of Veterans Affairs
Goals: Improve healthcare access for Veterans in rural settings, and enhance strategic partnerships.
Role: Site-Principal Investigator; Sub-award TBD ~$312,000.00

Title: Virtual Specialty Care Program. Implementing Technology Facilitated Clinical Interventions to Improve Access to High Quality Specialty Care for Rural Veterans (PI: Fortney); 9/2016 - 9/2019
Funder: Quality Enhancement Research Initiative (QUERI), Department of Veterans Affairs
Goals: Improve healthcare access for Veterans in rural settings, and enhance strategic partnerships.
Role: Site-Principal Investigator; Sub-award TBD ~$312,000.00
2000 P SA936; 06/01/15 - 05/31/18

Title: *Virtual Reality (VR)-based Treatment for Obsessive Compulsive Disorder (OCD;* PI: Piacentini)
Funder: Furlotti Family Foundation
Goals: Development, testing, and dissemination of a novel virtual reality-based treatment system for children with Obsessive Compulsive Disorder to augment exposure with response prevention.
Role: Site-Principal Investigator; $500,000.00 (Sub-award: $265,000.00)

DoD # PT110176; W81XWH-12-1-0619; 10/01/2012 - 2/28/2015
Title: *Building a Family Systems Model to Promote Adherence to PTSD Treatment* (PI: Meis)
Funder: Department of Defense
Goal: To investigate family factors related to treatment engagement and retention of veterans with PTSD.
Role: Site-Principal Investigator

<u>As Co-Investigator</u>

W81XWH-18-C-0331; 2018-2024
Title: *Effectiveness of Trauma Management Therapy and Prolonged Exposure Therapy for the Treatment of Post-Traumatic Stress Disorder in an Active Duty Sample: A Comparison Study (PI: BEIDEL)*
Funder: DoD, Congressionally Directed Medical Research Programs (CDMRP)
Goal: This study aims to compare the effectiveness of Trauma Management Therapy (TMT) and massed Prolonged Exposure Therapy (PE) for treating PTSD in active duty military personnel.
Role: Psychotherapy Lead Trainer and Clinical Consultation, Co-Investigator

W81XWH-12-1-0614; 7/12/2012- 9/29/2018
Title: *In-Home Exposure Therapy for Veterans with PTSD (PI Moreland)*
Funder: DoD, U.S. Army Medical Research and Material Command
Goal: This is a randomized control trial study of prolonged exposure therapy (PE) with 175 Veterans. The goal is to compare PE conducted in three different ways: (1) office-based telehealth, (2) home-based telehealth, and (3) and in-home, in person PE.
Role: Psychotherapy Lead, Co-Investigator

DoD V SUBMUSC-11-30/W81XWH-11-1-0073; 12/2010 - 11/2015 (on extension)
Title: *Randomized Trial of Prolonged Exposure, Sertraline, and Their Combination for Treatment of Combat-related PTSD in Veterans of OEF/OIF*
Funder: DoD, U.S. Army Medical Research and Material Command
Goal: To investigate the relative efficacy of exposure therapy, antidepressants, and their combination in the treatment of combat-related PTSD.
Role: Psychotherapy Lead, Co-Investigator; $14,135,443 (total); $2,234,465 (site)

W81XWH-12-1-0614, PT110021*;* 4/01/2013 - 9/29/2016 (on extension)
Title: *In-Home Face to Face and Telehealth Exposure for Veterans with PTSD* (PI: Moreland)
Funder: Department of Defense Office of the Congressionally Directed Medical Research Programs (CDMRP)
Goal: To investigate the relative efficacy of exposure therapy for PTSD provided in patients' homes compared to via home-based telehealth.
Role: Psychotherapy Trainer; Co-Investigator

Title: Rapid Exposure Supporting Trauma Recovery (RESTORE) 2017-2019
Funder: Government of Australia National Health and Medical Research Council (NHMRC), Department of Veterans' Affairs/Department of Defense
Goal: To investigate if prolonged exposure therapy, a gold standard evidence-based treatment for PTSD, is as effective when administered in daily sessions for two weeks, compared to the standard administration of a session a week for 10 weeks.
Role: Co-Investigator

W81XWH-14-1-0264 (018475) NCT02417025; 08/01/2014 - 07/31/2018
Title: *Do You Really Expect Me to get MST Care in a VA Where Everyone is Male? Innovative Delivery of Evidence Based Psychotherapy to Women with Military Sexual Trauma* (PI: Acierno)
Funder: DoD, US Army Medical Research and Materiel Command (USAMRMC)
Role: Co-Investigator

NCT02486692; 01/01/15 - 07/31/16
Title: *Pilot Evaluation of AboutFace: A Novel Peer Education Resource for Veterans* VA (PI: Ruggiero)
Funder: VA Health Services Research & Development (HSR&D)
Goals: To evaluate a peer education website, AboutFace, for the purpose of reducing stigma and improving attitudes toward seeking mental health services among Veterans.
Role: Co-Investigator

NCT01601574
Title: *Effects on Glycemic Control and Weight of a Modified Commercial Weight Control Program for People With Type 2 Diabetes* (PI: O'Neil)
Funder: Weight Watchers International
Goals: The purpose of this study is to determine whether the Weight Watchers program modified for use by people with Type 2 diabetes results in more improvements in blood glucose control relative to a control group receiving standard diabetes counseling.
Role: Co-Investigator.

1 R01 DA030143; 08/2010 - 06/2015
Title: *Integrated Treatment of OEF/OIF Veterans with PTSD and Substance Use Disorder* (PI: Back)
Funder: NIH/NIDA
Goals: To develop and test a treatment for simultaneously addressing PTSD and substance use disorder.
Role: Co-Investigator
Industry Grant, 09/01/2011 - 05/15/2014
Title: *Effects on Glucose Control of a Modified Commercial Weight Program for Type 2 Diabetes: A Multi-site Trial* (PI: O'Neil)
Funder: Weight Watchers International
Role: Co-Investigator

DoD 10322004; 08/2011 - 07/2012
Title: *Exposure Therapy With/ Without Simultaneous Transcranial Magnetic Stimulation for PTSD* (PI: George)
Funder: Department of Defense
Role: Co-Investigator; $354,287

<u>As Consultant</u>

Title: *Rapid Exposure Supporting Trauma Recovery (RESToR) (PI: Forbes)*
Funder: Australian DoD; Australian National Health and Medical Research Council
Goal: To compare the efficacy prolonged exposure therapy for PTSD in massed vs. standard formats via RCT.
Role: Consultant, Psychotherapy Lead

R01HL125424; 05/01/2016-03/31/2020 (PI: Scherrer)
Title: PTSD Treatment: Effects on Health Behavior, Cardiovascular and Metabolic Disease
Goals: To use medical chart abstraction to investigate the relationship between engagement in evidence-based PTSD treatment and behavioral and biological markers of cardiovascular and metabolic disease.
Funder: National Heart Lung and Blood Institute
Role: **Consultant**

1R43MH107089-01A1; 05/0/2016 - 02/28/2018
Title: *PTSD Monitoring System for Prolonged Exposure Therapy* (PI: Bly)
Funder: National Institutes of Health (NIH)
Goals: Prove the feasibility of a mobile and web app platform aimed at measuring physiologic and psychometric data during to exposure therapy for PTSD.
Role: Consultant

CSP 591, NCT01928732; 02/01/14 - 01/08/18
Title: *Comparative Effectiveness Research in Veterans with PTSD* (PI: Schnurr)
Funder: VA Office of Research Development (ORD) Cooperative Studies Program (CSP)
Role: Executive Planning Committee; $3,878,433

NCT02134691; 8/2013 - 7/2017
Title: *Randomized Trial of Prolonged Exposure for the Treatment of Posttraumatic Stress Disorder (PTSD;* PI: Vera)
Funder: National Institute of Mental Health, NIH
Role: Consultant; $614,523

IAC09-040-2; 2010 - 2013
Title: *Prolonged Exposure (PE) for PTSD: Telemedicine vs. In Person* (PI: Acierno)
Funder: VA HSR&D
Role: Consultant; $900,000

K12HD055885
Title: Building Interdisciplinary Research Careers in Women's Health (BIRCWH) Career Development Award: *The Effects of Oxytocin on Couples' Conflict Resolution Behaviors* (PI: Brady)
Funder: NICHD, Office of Research on Women's Health
Role: Consultant

9. **Tuerk, P.W.,** Post-Traumatic Stress: Assessing and Addressing. Continuing education (CE) presentation at the UNC Health Sciences at MAHEC 11th Annual Scientific Meeting of the Southern Headache Society, October 1, 2021, Charlotte, NC.
10. **Tuerk, P.W.** Clinic-Based Science & Practice: Emerging Methods in PTSD Treatment & Research. An invited continuing education (CE) presentation for the Annual Georgia Psychiatric Physicians Association (GPPA) Summer Meeting, August 9, 2019, Amelia Island, FL.

11. **Tuerk, P. W.** Evidence Based Treatment for PTSD: Emerging Methods Towards the Individualization of Treatment Protocols. A continuing education (CE) symposium to be delivered at the U.S. Psychiatric and Mental Health Congress on October 25, 2018, Orlando, FL.

12. **Tuerk, P. W.** & Hamner M. Pharmacological Augmentation of Evidence Based Treatment for PTSD: Emerging Methods Towards the Individualization of Treatment Protocols. A continuing education (CE) symposium to be delivered at the U.S. Psychiatric and Mental Health Congress on September 18, 2017, New Orleans, LA.

13. **Tuerk, P. W**. PTSD and Comorbid Psychosis: Diagnostic and Treatment Challenges. A continuing education (CE) symposium delivered at the U.S. Psychiatric and Mental Health Congress on October 22, 2016, San Antonio, TX.

14. **Tuerk, P.W.** The VA as a Laboratory for Dissemination Science: Promoting High Quality and Equitable Mental Health Care (and being able to replicate it). An invited presentation to Chief Psychology Advisor and Chief Medical Officer and staff, Government of Australia Department of Veterans Affairs. May 1, 2016, Canberra, Australian Capital Territory, Australia.

15. **Tuerk, P.W.** Treating PTSD with Evidence-based Treatments and Next-Generation Massed Exposure. An invited system-wide presentation to the Veterans Counseling Services, Government of Australia Department of Veterans Affairs. May 3, 2016, Melbourne, Australia.

16. **Tuerk, P. W**. Where is the research community headed in the areas of assessment and treatment methods for PTSD? Where are the biggest opportunities for collaboration across different entities? In P.P. Schnurr (Moderator), Opportunities for Collaborative Research. Symposium presented at the Brain Trust: Pathways to InnoVAtion on April 20, 2016, Washington D.C.

17. **Tuerk, P. W.** Invisible Wounds of War on Campus: Implications for Mental Health Programming and Outreach. An invited lecture delivered at Operation College Promises Certification for Veterans' Service Providers. Armstrong State University, Savannah, March 11, 2016.

18. **Tuerk, P. W.** Mental Health Response to Disaster: PTSD Treatment in Post-Tsunami Japan, Center for Global Health: Partnering for Impact, Medical University of SC Global Health Symposium, November 3-4, 2015, Charleston SC.

19. **Tuerk, P. W.** The VA as a Laboratory for Dissemination Science: Promoting High Quality & Equitable Mental Health Care (and being able to replicate it). An invited lecture presented at the VISN 16 South Central MIRECC on November 16, 2014.

20. **Tuerk, P. W.** & Wangelin B. Technology-Based Resources for Mental Health Providers Treating PTSD. Invited lecture presented at the PTSD Special Interest Group (SIG) at the Annual Meeting of the American Association of Anxiety Disorders (ADAA), Chicago, IL, March 27-30, 2014.

21. **Tuerk, P. W.,** Hontoria, E.G., Rauch, S.A.M, Hall, B., Yoder, M., Nagae, N. Collaborative International Mental Health Response to Disasters: Establishing Community Programming & Evidence-Based Therapy Training: An invited lecture presented at 26th Annual Update in Psychiatry: Disaster, Trauma & Recovery, MUSC. May 31, 2013.

22. **Tuerk, P. W.,** Rauch, S.A.M., Yoder, M., Hall, B., Hontoria, E.G. (2012). Mental Health Responses to Natural Disasters and the Use of Technology to Provide Post-Trauma Services: An invited lecture presented at Waseda University on March 16, 2012, Tokyo, Japan.

23. **Tuerk, P. W.,** Yoder, M., Rauch, S.A.M., Hontoria, E.G (2012). PTSD in Later Life: An invited post-conference workshop, presented at the Joint Annual Conference of Home-Based Medicine and the Academy of Home Care on March 18, 2012, Tokyo, Japan

24. **Tuerk, P. W.,** Acierno, R. (2012). Prerequisite Conditions for Effective Mental Health Treatment: An invited lecture to the VA Network Value Leads on July 25, 2012, Charleston, S.C.

25. **Tuerk, P. W.,** Rauch, S.A.M., Yoder, M. (2011). Dissemination and Training in Effective Treatments for Post-Disaster Mental Health Difficulties. An invited policy briefing for Dr. Yoshiharu, Director, Adult Division, Japanese National Institute of Health. October 2011, Tokyo.

26. **Tuerk, P. W.,** Yoder, M., Hall, B., Rauch, S.A.M. (2011). Modifying Prolonged Exposure for Delivery via Telehealth Technology, an invited workshop presented at Sophia University on October 1, 2011, Tokyo, Japan.

27. **Tuerk, P. W.,** Yoder, Rauch, S.A.M. (2011). Exposure Oriented Treatments for Natural Disaster-related PTSD, a presentation at the Tokiwa International Victimology Institute 6th Symposium on October 1, 2011, United Nations University, Tokyo, Japan.

28. **Tuerk, P. W.** Evidence based treatment for PTSD via Telehealth Technology. Department of Veterans Affairs, Invited Presentation National Research Week, May 3, 2011, Washington D.C.

29. **Tuerk, P. W.** VA Health Services Research and Development, State of the Art (SOTA) Conference on Improving Access to VA Care. Invited participant, September 21-22, 2010, Washington D.C.

30. **Tuerk, P. W.** Using Data to Support PTSD services. An invited presentation at the National PTSD Mentors Annual Meeting on July 26,2010. Baltimore, MD.

31. **Tuerk, P. W.** Treating Combat-related PTSD in Veterans of the Current Wars: Recent and Ongoing Research. An invited Grand Rounds presentation at the Medical University of South Carolina, Department of Psychiatry & Behavioral Sciences, April 23, 2010. Charleston, SC.

32. **Tuerk, P. W.,** Acierno R.E., Ruggiero KJ, Yoder M. Myrick D.R. Pilot Study of Prolonged Exposure Therapy for PTSD delivered via Telehealth Technology. An invited paper presented at the National Institute of Health (NIH) Workshop, Future of Telehealth: Essential Tools and Technologies for Clinical Research and Care presented June 26, 2009, Bethesda, MD.

33. **Tuerk, P. W.,** Grubaugh A, Madan A. (2009, May 4). Prolonged Exposure Therapy for PTSD. A presentation to the PTSD Health Services Research Working Group Meeting, Department of Psychology, University of Hawaii, Hilo HI.

Submitted Presentations (20 most relevant first- or senior-authored, out of 57. * = senior author)

1. **Tuerk, P. W.** (2025, April 5). *Augmenting patient and provider support for exposure (approach) therapy using crowdsourced telehealth*. In K. Cox (Chair), *New ways to think about, talk about, and do exposure therapy: Emerging paths for healing* [Conference symposium]. Anxiety and Depression Association of America Annual Conference, Las Vegas, NV.
2. **Tuerk, P. W.,** McGuire, J. F., & Piacentini, J. (July, 2023). Augmenting exposure therapy homework compliance in youth with OCD: Development and randomized controlled trial outcomes of OC-Go. [Symposium session]. Annual Research Symposium of the International OCD Foundation (IOCDF), San Fransico, CA.
3. * Logan, R. A., Cox, K. S., Wangelin, B. C., Keller, S. M., & **Tuerk, P. W.** (2022, March 19). Rapid Improvement and Sudden Gains in Prolonged Exposure for PTSD: Pilot Analysis to Investigate the Temporal Precedence of Cognitive Emotional Processing [Poster presentation]. Anxiety and Depression Association of America, Denver, CO., United States.
4. * Cox. K. S**.**, Wangelin, B. C., & **Tuerk, P. W**. (2022, March 19). Therapist Ratings of Imaginal Exposure and Post-imaginal Processing During Prolonged Exposure for PTSD: Psychotherapy Processes from the Therapist's Perspective [Poster presentation]. Anxiety and Depression Association of America, Denver, CO., United States.
5. * Myers, U.S., Keller, S.M., Wangelin, B.C., Lozano, B., **Tuerk, P.W.,** and Grubaugh, A. (2018). Racial Differences in Declining Study Consent in a Human-Animal Interaction Trial for Veterans with PTSD. Poster presented at the annual meeting of the International Society for Traumatic Stress Studies, April 22, 2021 Washington, DC.
6. **Tuerk, P. W.,** Wangelin, B., Myers, U., Keller, S., Dewey, D., Center, K., Lozano, B., Orr, S. Predicting Dropout from Prolonged Exposure Therapy (Before it Happens): Developing a Prospective Psychophysiological Tool, in A. Asnaani (Chair), Taking the Lab into the Clinic: Incorporating Biomarkers into PTSD Research. A symposium delivered at the 50th annual conference of the Association for Behavioral and Cognitive Therapies, October 29, 2016, New York, NY.
7. **Tuerk, P. W.,** Wangelin, B.C., Hamner, M., Foa, E.B., Mark, P. Niepoth, B. *Extinction Enhancement with Yohimbine HCl: Preliminary Findings from a Double-Blind Placebo Controlled Trial.* Symposium conducted at the 31st Annual Meeting of the International Society for Traumatic Stress Studies, November 2015, New Orleans, Louisiana.
8. * Yoder, M., Birks, A., **Tuerk, P. W.,** *Home Based Treatment for PTSD with Veterans: Processes and Treatment Outcomes.* Poster at the 31st Annual Meeting of the International Society for Traumatic Stress Studies, November 2015, New Orleans, Louisiana.
9. * Regan, S., Davidson, T., **Tuerk, P. W.,** *A Decision Tree Approach to the Assessment of Posttraumatic Stress Disorder*. Poster at the 31st Annual Meeting of the International Society for Traumatic Stress Studies, November 2015, New Orleans, Louisiana.

10. **Tuerk, P. W.** & Wangelin B. Enhancing Exposure Therapy for PTSD With Yohimbine HCL: A Double-Blind, Randomized Controlled Study Implementing Subjective and Objective Measures of Treatment Outcome. Symposium lecture presented at Annual Meeting of the American Association of Anxiety Disorders (ADAA), Chicago, IL, March 27-30, 2014.

11. Meis, L, Spoon M, Erbes C, Polusny,M, Noorbaloochi S, Hagel EC, Bangerter A, Eftekhari A, Kattar K, **Tuerk, P. W.** (PI Meis; Site-PI Tuerk). Can Families Help Shape Veteran's Opinions of and Response to Evidence Based Treatments for PTSD? Symposium accepted for the 30th ISTSS Annual Meeting, Miami, FL, November 6-8, 2014.

12. **Tuerk, P. W.,** Wangelin, B**.,** Rauch, S.A.M., Yoder, M., & Acierno, R. (2013). Health Service Utilization Before and After Evidence-Based Treatment for PTSD. Symposium presented at the 47th ABCT Annual Conference, Nashville, TN, November 2013.

13. **Tuerk, P. W.,** Yoder, M., & Acierno, R. (2013). Assessment of therapist-level and patient-level factors in evidence-based therapy outcomes for PTSD in a Veterans Affairs outpatient clinic. Symposium presented at the 29th ISTSS Annual Meeting, Philadelphia, PA, November 2013.

14. **Tuerk, P. W.**, Mouilso, E, Peterson, A, Rauch, S.A.M., Kumpula, M., Lamp, K., Resick, P., Foa, E., McLean, C.P. Negative Cognition in PTSD across Trauma Populations. Presented at ABCT's 47th Annual Convention, November 21th - 24th, 2013 in Nashville, TN.

15. **Tuerk, P. W.**, Wangelin, B., Yoder, M., & Acierno, R. (2013). Assessment of therapist-level and patient-level factors in evidence-based therapy outcomes for PTSD in a veterans affairs outpatient clinic. Symposium, 29th Annual Conference of the International Society for Traumatic Stress Studies, Philadelphia, PA, November 7, 2013.

16. **Tuerk, P. W.,** Stauffacher, K., Resnick, H.S., Wolitzky-Taylor, K., Acierno, R., Ruggiero, K. (2012). Web-Based Intervention for Post-disaster Mental Health: Preliminary Efficacy Data. A Symposium accepted at 2012 American Association of Anxiety Disorders (ADAA), Arlington, VA.

17. * Wangelin, B.C., & **Tuerk, P. W.** (2012). Bringing psychophysiology into the therapy room: Objective measurement of emotional arousal in prolonged exposure. Poster presented at the Anxiety Disorders Association of America 32nd Annual Conference, Arlington, VA, USA.

18. **Tuerk, P. W.** "Evidence Based Treatment for PTSD is Related to Long Term Decreases in Mental Health Service Utilization: Prolonged Exposure Therapy in a Veterans Health Administration Clinic" presentation at ABCT's 46th Annual Convention to be held November 15th - 18th, 2012 in National Harbor, MD. Please

19. **Tuerk, P. W.,** Santa-Ana, L. (2011). Telehealth Service Delivery Modalities for Evidence-Based PTSD and Substance Abuse Care: Issues and Outcomes. Symposium presented at Association for Behavioral and Cognitive Therapies (ABCT), November 11, 2011, Toronto, Canada.

20. **Tuerk, P. W.,** Yoder, M., Grubaugh, A., Myrick, D.H., Acierno, R. Prolonged Exposure Therapy for Combat-Related Posttraumatic Stress Disorder: An Examination of Treatment Effectiveness for Veterans of the Wars in Afghanistan and Iraq. Paper presented at the Association for Behavioral and Cognitive Therapies (ABCT), November 13, 2010, San Francisco, CA.

21. **Tuerk, P. W.,** Yoder, M., Acierno, R. Best Practice in Training Unlicensed Mental Health Clinicians: Symposium Presentation at 2010 National VA Mental Health Conference: Implementing a Public Health Model for Meeting the Mental Health Needs of Veterans, on July 28, 2010, Baltimore MD.

22. Yoder, M., **Tuerk, P. W.**, Ruggiero, K., Gros, D., & Acierno, R. (2009). Prolonged Exposure for Combat-Related PTSD: Differences in live vs. telehealth treatment delivery. Paper presented at International Society for Traumatic Stress Studies Conference, November 5-7, Atlanta, GA

23. **Tuerk, P. W.,** Acierno RE, Ruggiero KJ, Gros D, Yoder M. Open Trial of PE for PTSD Via Tele-psychiatry vs. In Person. A paper presented at the VA's Health Services Research and Development Service (HSR&D) 27th Annual Meeting on Feb 9-11, 2009, Baltimore, MD.
