LINKB5 IS THE HOME

for VQB5 data and registration for the RecognizeB5 program.

VQB5 measures and improves the quality of all publicly-funded birth-to-five classrooms and provides incentive to eligible educators through RecognizeB5. As of summer 2023, over 9,700 educators are eligible, receiving total payments of \$10.48M

WHY USE LINKB5?

VQB5 data helps regions support school readiness by improving early experiences for all children

TEACHING & LEARNING

are strengthened through use of CLASS observations and use of approved curricula and measured in every classroom and Family Day Home* through infant, toddler, and Pre-K observations

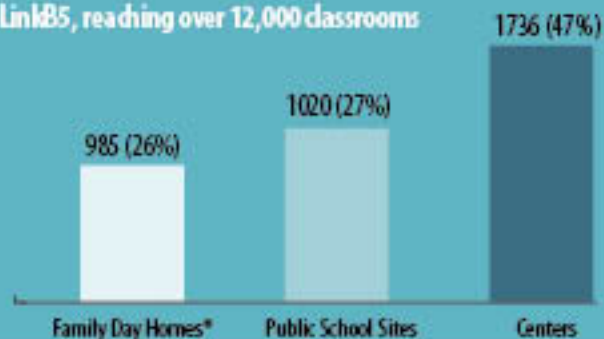

REGIONS ACROSS VIRGINIA ARE PARTICIPATING

In Fall 2023, all publicly-funded sites and programs across the Commonwealth are required to register for VQB5 through the LinkB5 data system

GET STARTED IN LINKB5

By Fall 2023, 3,741 Family Day Home providers, Public Schools, and Centers are projected to participate in LinkB5, reaching over 12,000 classrooms

HOW DOES LINKB5 WORK?

VQB5 sites provide quality and improvement information that families will be able to access in the future
