

Curry Staff Advisory Council Significant Accomplishments

Annual Activities included the coordination of:

- Day of Caring
- The United Way Campaign
- Fall and Spring All-Staff meetings
- One food drive per year

2018-2019

- Increased school-wide representation in CSAC from two to three representatives in research and administration categories. CSAC membership increased from 6-8, less the ex-officio members.
- Established the quarterly Curry Staff Newsletter
- Began the development of a Curry Orientation program for staff
- Collaborated with Faculty Council to establish an ad-hoc committee on supervision best practices.
 - The committee surveyed supervisors and supervisees to determine supervision best practices and resource needs of Curry supervisors.
 - Based on topics from survey results, the committee sent monthly newsletters to supervisors providing information and resources from Oct. 2018-March 2019.
 - In collaboration with UVA HR, offered a professional development program for faculty and staff on Effective Communication Best Practices. Over 100 faculty and staff were in attendance.
- Updated By-Laws

2017-2018

- Held an appreciative inquiry session on Supervision with staff. Approximately 70 people were in attendance (Julie Haizlip, Health System AI)
- Organized a UBI training for staff
- Coordinated an on-line Halloween Costume competition
- Established an ad-hoc committee with Faculty Council to address best practices for supervisors

2016-2017

- Organized a pop-up social around UVA March Madness
- Organized a Hoos-Well on-site program at the Mem Gym track
- Organized two Lunch and Learn programs on “Effective Communication” and “Responding to Stress with Success” lead by FEAP

2015-2016

- Organized Curry Common Read staff brown bag discussions (2)
- Organized UVA African Drumming Expo
- Organized a pop-up social around March Madness basketball
- Sponsored a Hoos Well resistance band workshop
