

Picture a Scientist

PRIVATE COMMUNITY FILM SCREENING

DATE:
03/24/21

TIME:
5:30 PM

LOCATION:
VIRTUAL EVENT

**ADVANCED REGISTRATION
REQUIRED**

EVENT DESCRIPTION:

In honor of Womxn's History Month, join the School of Education and Human Development along with the College of Arts and Sciences, the School of Nursing, and the School of Engineering and Applied Sciences, for a private film screening of Picture a Scientist. After the film screening, a group of UVA womxn scientists will reflect on their experiences and participate in a Q&A session.

This documentary spotlights and amplifies the voices and experiences of womxn scientists, exploring why womxn scientists are still a minority in the U.S. and how to create a world in which female scientists are as prominent and prolific as their male counterparts.
